Explore Our 2023 Annual Report

The past few years have tested our ability to respond and adapt to a new set of challenges and opportunities. During this time, the Hartford Foundation for Public Giving redoubled our commitment to listen to the residents and nonprofit partners who make our region such a rich and diverse place. Today, our vision of how this community could come together is beginning to take shape.

In our newly-released digital **2023 Annual Report**, you'll learn:

- how our investments **prepare young people for the road ahead** as they pursue their educational and career dreams;
- how we seek to **inspire creativity** of future leaders through our region's arts sector;
- how our **donors turn their passion into impact**, laying the groundwork for the next generation;
- and how **our financial strength** allows us to meet the needs of the community.

As you delve into this report, we hope you'll agree that we are honoring our promises to help make Greater Hartford a vibrant and inclusive place where everyone has an opportunity to thrive.

Our Finances

We are truly grateful for our donors' generosity and commitment to the community, which enables the Foundation to support countless nonprofits that impact our region's residents.

2023 BY THE NUMBERS

\$ 49.9 million
in grants

\$998 million since 1925

New Funds: 2023

Several new funds were established at the Hartford Foundation in 2023. We're proud to partner with these generous individuals, families, and organizations to improve the quality of life in our region. Everyone who created a fund has a unique reason for wanting to give. Thank You!

As always, we couldn't do this work without the dedication and commitment of our donors, nonprofit partners, and all the Greater Hartford residents who help make this an incredible place to live.

2025 marks an important milestone: the 100th anniversary of the Hartford Foundation for Public Giving.

We can't wait to celebrate our Centennial, and together with you, create a vision for what Greater Hartford could look like in the future.
